- Special education teacher(s)
- General education teacher(s)
- Professional(s) who can interpret the instructional implications of assessments
- School division representative (qualified to provide/supervise special education services, and commit district resources) (Members can serve more than one role. Written agreement by a parent is needed to excuse attendance of a required team member. If that member’s area will be discussed, written information must be provided to the parent before the meeting.)

### OPTIONAL:
- Family members/Friends
- Peers/Advocates
- Specialists
- Other Professionals including: Representatives from Early Intervention or Adult Service Agencies (optional members are at the discretion of the school and parent and may require parental consent)

### IEP TEAM MEMBERS NOTIFIED AND THE MEETING SCHEDULED:
- In time for parents to arrange to attend, and a list of more than one date option for meeting
- Mutually agreeable time, place & purpose for the team
- Notice includes date, time, location, purpose and attendees

### PRESENT LEVEL OF ACADEMIC ACHIEVEMENT AND FUNCTIONAL PERFORMANCE:
- Student described in positive way
- Reflects parent concerns
- Includes parent’s statement of strengths, needs, and concerns
- Goals must be measurable by defining what, how, where, when & why
- States academic & functional performance in objective terms
- Results of assessments including statewide or district-wide assessments
- Describes how the disability affects involvement and progress in general education (for preschool students – in appropriate activities with typical peers)
- Describe academic, developmental, and functional needs

### ANNUAL GOALS:
- Include academic and functional goals based on needs from assessments and described in Present Level section, and on parent and student input
- Meaningful to this student and attainable within one school year
- Student’s involvement and progress in the general education curriculum
- Measurable - clear about what, how, where, when & why
- Positive Behavioral Supports, if needed
- How progress will be measured and how often, and by what means parents will be in-formed of progress
- High expectations, including how student will keep up with or catch up to typically developing peers
- Evidence Based Methods
- Measurable objectives or benchmarks (required for students taking alternate assessments aligned to alternate achievement standards)
- Prioritized in terms of the student’s age and time left for schooling
- Skills to help the student live as independently as possible when they finish school

### RELATED SERVICES, SUPPLEMENTARY AIDS AND SUPPORTS:
- Help child advance toward attaining annual goals
- Help child be involved in and make progress in the general curriculum
- Help child participate with other students with and without disabilities
- Include specifics – start/finish dates: frequency: duration: location: who will deliver: delivery method (individual or group)
- Assistive Technology devices or services
- Help to access nonacademic and extracurricular activities
- Needed accommodations/modifications for educational program and assessments.
- Teacher/staff training if needed to implement program

### IEP CHECKLIST
The following is a checklist for parents and teachers to consider as they develop the IEP. Not every item on the checklist is required by special education regulations. For more information, consult the Federal regulations and other information that can be found at [http://idea.ed.gov](http://idea.ed.gov) or call PEATC at 800-869-6782.
