SCREENING FOR ALL CHILDREN

The vision and hearing for all children must be screened within 60 days of the start of the school year in kindergarten and in grades three, seven, and ten.

School divisions must have procedures that include a timeline for completing additional screenings to determine if a referral for an evaluation for special education and related services is indicated.

For legal timelines related to **complaints, mediation or due process hearings**, see any of the three resource documents listed on Page 1 of this fact sheet.

PEATC's mission focuses on building positive futures for Virginia's children by working collaboratively with families, schools and communities to improve opportunities for excellence in education and success in school and community life.
