May 4th, 2021 | 6:00 PM

Join us to learn how to save for today's needs or invest for tomorrow by using an ABLEnow account. This simple, affordable, and tax-advantaged account doesn't impact receiving most means-tested disability benefits and is managed by Virginia529.

These accounts are easy to manage, contribute to, and use. Having money for qualified disability expenses gives families of individuals with disabilities peace of mind when planning for the future.

Brittany Bullock, with ABLEnow, will provide important information on how to dream, save, and achieve by taking advantage of Virginia's ABLEnow program.
