

Sexual Health And Wellness Virtual Sessions For Youth With Disabilities

For youth with disabilities ages 14 - 22

This is part of a series of sessions designed specifically for Virginia youth with disabilities. These trainings are designed to increase an individual's capacity for self-advocacy and decision-making. Throughout these 3 sessions we will cover important topics including consent and body rights when it comes to safe and healthy boundaries, pregnancy and human reproduction and birth control, and sexually transmitted infections (STIs).
