Planning for the Future: Financial and Decision Options

April 18, 2023
6:30 pm

Planning for the future is important for all parents, but for parents of children with disabilities, it is vital. This virtual workshop will offer information to help you learn about options and tools for making these important decisions. Topics covered will be: Age of Majority, Guardianship, Power of Attorney, Supported Decision-Making, Special Needs Trusts, ABLE Accounts, and Letters of Intent.
