**PEATC, in collaboration with the
Virginia Department of Education,
is pleased to announce the**

2023 FAMILY ENGAGEMENT SUMMIT

"It Takes A Village: Approaches to Supporting the Whole Child"

SUMMIT OVERVIEW

The Family Engagement Summit is a one-day event focused on enhancing the engagement of families and caregivers of children receiving special education services. The Summit will bring together speakers who will share best practices and innovative approaches that support the overall growth and development of children, including those with disabilities.

By increasing family and community engagement, we can create supportive environments that enhance student outcomes and build stronger homes, schools, and communities. Attendees will leave this year's Family Engagement Summit with practical tools and strategies that can be immediately implemented to improve outcomes for ALL students.

Please note - PEATC has a limited number of complimentary hotel rooms for individuals who live at least 60 miles away from the summit location. The rooms are on a first-come, first-serve basis. You will be able to request a hotel room on your registration.
