

Empowering Beginnings: Unlocking Early Services and Supports

November 7, 2024
12:00 p.m. - 1:30 p.m.

Open to All Military Families
with Young Children
Up to 4 Years Old

Every child develops at their own pace and developmental milestones are like a roadmap for a child's development – from their first smile to rolling over to saying their first words. If your child is not meeting milestones or you have concerns, what can you do?

There are services and supports available to help you and your child thrive. We're unlocking this treasure trove of knowledge, terminology, and resources available to help guide and support your family. Acting early transforms challenges into opportunities through your child's early years!
