The Family Engagement Summit is an interactive event that fosters **meaningful collaboration** among **Virginia educators, families, and community partners**. Research shows that family engagement is essential to student success. Family Engagement must be intentional and embedded within both school systems and disability services.

Join us for this one-day summit, where dynamic speakers will share practical, research-based strategies and highlight the transformative power of strong partnerships.

A limited number of hotel rooms are available for attendees who live **sixty miles or more** from the venue at no charge. **Important:** Rooms are on a first-come/first-serve basis. Once all blocked rooms are taken, no additional rooms will be available. Attendees who live less than sixty miles from the venue will NOT be eligible for a room.

For questions or cancellations, please contact PEATC at 703-923-0010 or partners@peatc.org. Do not contact the hotel directly.
